Jinja

Known for its poignant geographic location where the Nile River exits Lake Victoria, Jinja is a large and agreeably green town that doubles as an important center of NGO activity and the urban hub of Uganda's rafting industry.

Activity Day 1

- After having breakfast, meet a driver guide from Africa adventure vacations for briefing about your tour and then start your drive to explore the lovely Ssezibwa Falls. On your arrival at Ssezibwa falls, you will be warmly welcomed by the local site guide who will give you the detailed back ground of the place and its use to the Kingdom of Buganda and then go to explore the falls. It is believed that the Sezibwa falls were just born by a woman and so, many locals go there to seek for blessings. Your guide will narrate to you all the information about this place.
- **Guided forest walk, Mabira Forest Reserve**
Mabira Forest is an amazing birding site with over 300 species of birds, covering 306 square kilometers - the largest in the central region of Uganda. After clearance at the Ecotourism Site, take to the trail network, observing the undergrowth, mid-forest and the canopies for lots of species.
- On arrival in Jinja, you will start with lunch after which we shall enjoy a boat ride on River Nile as it starts exiting Lake Victoria. This is will be the last site on this adventurous Jinja tour with a boat ride to the "Source of the Nile" at the now submerged Rippon Falls. This is where the Nile starts its 4000 mile journey to the Mediterranean Sea traversing various coun-tries along the way. The boat rides take between thirty minutes and two hours depending on the available time. Listen to your local site guide tell you stories of the 'source of the Nile' as believed by the locals.

Our vehicles

We only use 4x4 Customized Safari Land-cruisers for tours. The cars are very comfortable yet well-suited for the rough terrain we traverse. All cars have a pop-up roof that we usually open when conducting game drives in the parks. They also have wide-opening windows. Our fleet is well-maintained on schedule - all the time.

Toyota Landcruiser - Open-sided

The 4x4 six-eight seats Landcruiser has a pop-up roof for all weather game driving and photography. It also has wide opening windows.

Toyota Landcruiser - Pop-up roof

The 4x4 3-seats Toyota Land Cruiser has a pop up roof for enhanced game drives and photography.
