# Kampala

The capital of Uganda, Kampala derives its name from a local phrase meaning Hill of Antelope. You won't find any antelope here today, but rather a rapidly growing city whose high-rise center ranks among the most important economic hubs in East Africa, with a varied culinary scene and nightlife.

## Activity Day 1

→ The Kampala city tour will take you to discover one of the most vibrant cities in East Africa. You will visit all the major attractions - including the key commercial, educational, cultural, religious and historical landmarks/centers with numerous opportunities to mingle with the people. Ugandan's are extremely friendly and one of the most tolerant people in the world.

Today we shall be visiting the following places:

**Gaddafi Mosque:** Renamed Uganda National Mosque, the mosque is located atop Kampala Hill overlooking the city center. The towering mosque offers the best cityscape view of Kampala City.

**Lubiri (Kabaka's Mengo Palace):** The Lubiri is the palace for the Kabaka of the Buganda Kingdom. The king has several palaces across the kingdom but this particular one at Mengo is regarded as the main one and houses the "twekobe" (parliament) plus a number of cultural and historical sites and elements. A local guide shall teach you about this 800 year kingdom and several cultural norms attached to the King and the Kingdom.

**Kasubi Royal Tombs:** The tombs are the burial grounds of the Kabakas (Kings) of of Buganda. They are UNESCO site that preserve the rich culture of the Baganda people. At the tombs you shall meet the caretaker to explain about the tombs, the Kings who are laid to rest there and the cultural norms of the Baganda in relation to the tombs. Observe the unique architecture of the tombs several cultural artifacts.
